

DARK MATTER redefines the interfaces between technology, creativity and interaction in order to create space for personal sensory experiences.

DARK MATTER is an exhibition made of expansive light installations within a converted factory. The exhibition introduces new and technical concepts, most of which will be made visible to the public for the very first time.

Facilities Supervisor (m/f/d)

Full-time | on-site

YOUR TASKS:

- * Monitoring, operating, and controlling building services systems (heating, ventilation, plumbing/sanitary, electrical)
- * Carrying out minor repairs and maintenance work
- * Coordinating and supervising external service providers and contractors
- * Ensuring the functionality of all technical facilities and systems
- * Organizing and supervising waste disposal and delivery services
- * Performing winter services (e.g. snow and ice removal)
- * Maintaining outdoor areas and green spaces
- * Ensuring order, cleanliness, and traffic safety throughout the entire property
- * Planning and coordinating maintenance and inspection intervals
- * Documenting maintenance activities, defects, and corrective measures

YOU BRING:

- * Completed vocational or technical training, or a degree in facility management or a related field
- * Several years of professional experience in a caretaker/janitorial or facility management role
- * Strong technical understanding and good organizational skills
- * Independent, structured, and responsible working style
- * Strong communication skills and a service-oriented mindset

**WE
OFFER:**

- * A highly motivated, international team and a friendly, open-minded working environment – we stand for openness and diversity
- * Independent work, flat hierarchies, and the opportunity to contribute your own ideas
- * Free coffee and beverages
- * Team events such as shared BBQ evenings and summer parties
- * Discounted Urban Sports Club membership
